

# GEHA Connection Dental Network

Cherry Creek Oral Surgery partners with third-party administrators (TPAs) like **GEHA Connection Dental Network** to expand access to dental coverage. If your insurance provider isn't listed on our main page, it may still be accepted through GEHA's extensive network.

**What is GEHA Connection Dental Network?** GEHA is a dental TPA that connects patients to a wide range of insurance carriers, including commercial and Medicare Advantage plans.

***Accepted Insurance Companies through GEHA Connection Dental Network:***
